

Lackey Clinic

A Free and Charitable Healthcare Center

The Lackey Clinic in Yorktown, VA is currently hiring a part-time dentist. This is your opportunity to work with an incredible team of compassionate professionals whose passion is providing the best oral health care to patients. Because Lackey Clinic only sees uninsured adult patients you will never have to deal with insurance, billing issues or sales. You will work in a fun, teamwork environment that allows you to take time with your patients to ensure they receive the best possible care. The Lackey Clinic is a non-profit, Christian based free and charitable healthcare clinic that integrates medical and dental care to treat the whole patient. Our mission is to provide skilled, compassionate healthcare and counseling to the medically disadvantaged in a manner that honors the name of Jesus Christ. We have a state-of-the-art dental clinic with digital radiographs and utilize Dentrix and Dexis software. We provide hygiene, fillings, and extraction services with occasional endodontics on a case-by-case basis.

With our medical team just down the hall, you have the opportunity to learn much more about your patients' systemic health and work closely with our medical physicians. Our clinic combines staff with our faithful volunteers to help us care for our patients.

Dentist responsibilities:

- Diagnose and provide appropriate dental treatment to patients, including exams, restorative, and surgical extractions
- Educate patients on maintaining proper oral health
- Communicate with dental staff on our team regarding patient treatment plans
- Prescribe medications as necessary
- Carefully document all medications, diagnoses, treatments, and consultations
